Shooters Sporting Center

“Outdoor Sporting Center
Indoor Shooting Ranges”

Shooters Sporting Center offers personal archery and firearm training for the novice to the expert shooter. All courses are taught by certified instructors. Participants will receive a certificate upon course completion. To achieve a perfect shooting experience, our range is air-conditioned, lighting is properly adjusted and a high volume ventilation system insures a steady flow of fresh air moving downrange. A firing line monitoring system allows us continual screening of all shooters and the range is wheel chair accessible. This insures a safe and comfortable shooting environment.

Range Safety Rules

- 1) Treat every firearm as if it is loaded!
- 2) All Federal, State and Local firearm laws must be obeyed.
- 3) All firearms must be unloaded and cased in and out of the range. All loading and unloading will be conducted while in the shooting port with the firearm pointed down range safely.
- 4) Range Staff/RSOs reserve the right to inspect any firearm or ammunition for safety considerations at any time.
- 5) Eye and ear protection must be worn at all times when in the range.
Glasses and ear protection must be put on prior to entering range.
- 6) Shirt and shoes must be worn at all times.
LADIES – low cut shirts are not recommended.
- 7) **No sandals/flip flops or open toed shoes are allowed in the range.**
- 8) Food, beverages, smoking, chewing, texting and/or taking pictures on the firing range is prohibited.
- 9) Handgun and rifle ammunition may not exceed 3,600 fps. (No black powder firearms) Birdshot, tracer, armor piercing and steel core ammunition are prohibited.
No reloads will be permitted on the range at any time.
- 10) No one may go forward beyond the firing line at any time. No ammo, brass or casings may be retrieved from in front of the firing line.
- 11) A cease fire command may be called by anyone and must be obeyed immediately. When the cease fire is given: Stop shooting immediately, remove your finger from the trigger, keep the gun pointed in a safe direction, and wait for further instructions from the Range Officer.
- 12) Use only paper and/or cardboard targets. No metal/steel targets allowed on the range.
- 13) **NO rapid firing, double taps, cross firing on targets or drawing from a holster.**
If there are any injuries to other shooters/staff members on the range, there might be forthcoming criminal/civil charges and your membership will be revoked or you will be banned from the range.
- 14) Never use drugs or alcohol before or while shooting
This includes prescription/non-prescription drugs that may make it unsafe for you to use a firearm.
- 15) Report any unsafe practices/conditions or range injuries to Range Staff immediately.
- 16) Failure to abide by these rules may result in a reprimand and/or removal from the range.
